

GOOD CLINICAL PRACTICE (E6 R2)

About This Course

This is a professionally developed, interactive and engaging online Good Clinical Practice training course which incorporates the ICH E6 R2 update implemented in June 2017. This course has been updated in 2021 to ensure all current Regulations are covered. This course meets the required Standards for ICH GCP Investigator Site Personnel training identified by TransCelerate Biopharma Inc. recognised by Sponsors globally.

Who is the course suited to?

It is suitable for anyone carrying out or involved in Clinical Research whatever their level of experience. It will provide individuals with instant printable recognised certification in GCP.

Course Contents

Module 1

Introduction to ICH GCP

Module 2

Key People and their Responsibilities

Module 3

How is compliance with GCP ensured?

Module 4

Knowledge consolidation and exam

Price: £159 inc. VAT (discount available for 6 or more users)

Duration: Minimum 2 hours

As with all of our courses you are able to take this in your own time, on any device and are able to pause and restart from the place you left off. Time taken will vary depending on your experience and how many of the many optional links and activities you choose to view.
